### **Slip Renewal Notice**

The New Year is here and it is time to get ready for another wonderful season of boating. Please review and complete the enclosed *Mooring/Licence Agreement*. Please check your driver's licence number, fill in current insurance information and include your **deposit in the amount of four hundred dollars (\$400.00)**. For your convenience a return-addressed postage-paid envelope has been included. To reserve your slip, both copies of the *Mooring/Licence Agreement* and the **deposit must be received on or before February 1, 2012**. The **balance of the slip rental and HST will be due April 30, 2012**.

### **Email Data Base Growing**

We are continuing to build our customer e-mail data base to accommodate the requests from our boaters who tell us they prefer being contacted or receiving information in this manner. If you wish your address added to this list please write it in the lower right corner of your *Mooring/Licence Agreement*.

### **Spring Commission Checklist**

It would be appreciated if you would also return the enclosed *Spring Commission Checklist* by **February 1<sup>st</sup>**. If you lose this copy, another is available at *Forms* at [www.delreymarina.com](http://www.delreymarina.com).

This form is offered on our site in **PDF** for those who prefer to complete it on their computer.

**And just a reminder that those items you requested be winterized last fall, will also be summerized this spring...at no additional charge.**

### **Money Transfers – INTERAC e-transfer, Cheque or Credit Card?**

Paying a bill at the marina? Consider using the convenience and security of transferring funds through *INTERAC e-transfer*. Forget the hassles of a cheque or a bank draft while enjoying the peace-of-mind of knowing you have a record of the payment at your fingertips. After the marina receives e-mail notification that your payment has been sent we complete on-line verification with our bank and your funds are immediately transferred to our account. This quick, safe method of payment is rapidly becoming a popular choice. Please be aware that the 2% administration charge remains in effect when a credit card is offered as payment. We hope you appreciate the continuing efforts to control costs by allocating this expense back to only those who generate it.

### **Covered Slips – Spider Control**

Please initial your authorisation on the mooring/licence agreement as it may be necessary for the sub-contractor to board your vessel to aid in the direct application of the product above your slip.
