SPRING COMMISSIONING CHECKLIST 2017

This checklist is an important part of our service to you.

Please complete and return by February 1st 2017.

After having your boat laid up for the winter we wish to ensure that you have a worry free start to your boating season. Please consider some of these important maintenance items and checks to get you out on the water at the first opportunity!

Please Indicate those items and the number of units that you wish us to attend to.

Prices are for Labour Only all parts and materials will be charged extra.

Engines with Outdrives

Please note: We require notice as soon as possible if you are requesting outdrive servicing in the spring due to workload planning restrictions leading up to launch. Thank you.
